

PERFORMANCE CERTIFICATION FOR THE YEAR 2021: NOT APPLICABLE

I regret to inform you that for the whole year 2021 I wasn't able to work due to a number of unfortunate events that happened to me and to my family. Those unfortunate events have been mainly health related problems which led to prolonged hospitalization of my mother which needed all my attention and care, until she died around the end of the year.

The year 2022 started in a much better fashion and I trust to resuming normal activities during the first weeks of 2022. Thank you in advance for your understanding. Francesco Maggioni
